*Cover illustration:* Since its founding in 1822, the Maine Historical Society has been noted for the vigor of its publishing effort. These publications, an essential foundation for our early province and state history, include the *Collections of the Maine Historical Society*, the *Documentary History of Maine*, the *Baxter Manuscripts*, *York Deeds*, and the *Maine Province and Court Records*. Equally important in more recent times have been the *Maine Historical Society Quarterly* and *Maine History*, which cover topics from Maine's prehistoric times to the present. This volume is devoted to a comprehensive subject index of the latter two. The cover illustration is a *Souvenir Plaque of the Wadsworth-Longfellow House* from the MHS Collections.
